

WINE LIST

JANUARY 2020

We are committed to curating flavors from distinct vintages, selections from our favorite producers, and special finds that exude quality. Our wish is that you have the same pleasure choosing from this collection as we have enjoyed assembling it.

In building our wine cellar, we have put an emphasis on our favorite grape varieties, and how various regions express that grape differently.

We are proud to present a wonderful selection of wines from around the world to satisfy any palate.

This wine list is made to express our true passion.
Let the magic begin!

Giorgio Ferrero
Wine Director and General Manager

We are happy to introduce an exclusive list of wines by the glass using the Coravin Wine Preservation System which allows you to pour wine from a bottle without removing the cork. Whether you want a glass, or more, your last glass will always taste just as amazing as your first.

When the Coravin System is used correctly, the wine in the bottle continues to evolve in the same way as if Coravin was never used.
